Exam training NT2 (Dutch as a second language) program I

Do you want to work and earn an income? Able to go to the doctor alone? Or do you want help your children with their homework? Then it is required that you speak and read Dutch language. Can't you do that nog enough? Then it is important for you to start learning the language. Because if you speak the Dutch language, you can better participate in The Netherlands.

In The Netherlands you will feel really at home if you speak Dutch language. You make easier contact with other Dutch people and also following a training and looking for a job is a lot easier when you've mastered the Dutch. For those who like to learn Dutch or who wants to improve his Dutch NT2 Dutch as a second language, the course (program I) an excellent choice!

State-exam Dutch as a second language program I

The State-exam Dutch as a second language program 1 is organized for people who are not native speakers of Dutch, but who want to show that they have sufficient control to the Dutch in Netherlands to be able to work or study.

The NT2 program I consists of four parts: reading, listening, writing and speaking. You will receive a diploma if you for all these four components have passed.

Why a NT2 degree?

A NT2 degree is useful if you want to work or study in The Netherlands. You can also use your degree for your integration and possible naturalization as a Dutch.

Target group

The target group consists of trainee who have trouble with the Dutch language and want to prepare for the State-exam Dutch as a second language program I. Also students/trainee who want to improve their language skills are welcome.

Level

The exam training is offered from A0/A1 or A2 level. With A2 level can the trainee/student phrases and regular expressions related to matters of direct interest (for example, personal data, family, shopping, local geography, employment) understand.

Inhoud

Each student/trainee makes (at the beginning and at the end of the exam training NT2 program I) a language test. The topics covered in the language test, in line with the curriculum that is offered during the NT2 exam training Program I. The student can progress by topic see which he/she has booked during the exam training NT2.

In the **NT2 exam training program I** are the domains ' reading, speaking, listening and writing ' very important and they are thought on A2/B1 level. The teacher stands in front of the class, explains, answers the questions and prepares the students/trainee for the exam.

Planning & Times

This training starts 3 times a year (see the planning for the start dates). The lessons last 90 minutes and are held on every Wednesday evenings or Sunday evenings. **Registration is always possible.**

Costs

The cost for the **exam training NT2 program I** is €175,00 per course (11 classes of 1.5 hours) and do not include study materials and study plan.
